DESCRIPTION

Sunset solar powered wall bracket in 304 grade in stainless steel with warm white lighting

Sunset Solar Wall bracket is a DIY solar powered Wall Bracket. This product has a built in rechargeable battery. This fitting also features on/off switch so the light can be switched off if not needed. The solar panel charges the battery under sunlight. When there is no sunlight (night), the fitting will turn on automatically. When the battery is fully charged (all day of sunlight) the light can last up to 8 hours.
