Width / Diameter (mm)	57
Height (mm)	130
Voltage	240V
Globe Type	BC
Globe Quantity	0
Wattage (Max)	25W
Globe Colour Temperature	Warm White

## DESCRIPTION

Lucci Karbon 25W clear BC decorator pilot decorative filament globe

The Karbon 25W globe is a replica of the original carbon globe. This may be used in many new light fitting designs, like pendants . This globe will provide a warmer glow compared to the traditional incandescent or halogen GLS globes. Whilst you may not wish to light an entire room with this globe, they are perfect for creating an intimate pool of light over a particular area, such as an alfresco or dining table. This globe is not intended for general purpose illumination applications. It is designed to emit low light levels.

Date printed 24 May 2019
