DESCRIPTION

LEDlux Marine IP65 LED 8W 300 lumens 12V spike spot in copper, can be used in coastal conditions.
Transformer sold separately

The LEDlux Marine Spike Spotlight is a great addition to any outdoor setting to highlight areas of your garden. These lights can be used in coastal areas. As the copper fitting is real copper, this will oxidize over time. [Click here](#) for installation instructions. This product is part of the 12V garden lighting range and is compatible with a DIY quick connector for simple water tight connection
