DESCRIPTION

LEDlux Tread LED 12V IP54 weatherproof rated 60 lumen low glare round steplight in black

This LEDlux Tread is 12V extra-low voltage and can be DIY. When installing this item as DIY, you will need the following products, Lucci wiring kit (SKU# 220826, 220827) and Lucci transformer (SKU# 220818, 220819, 220829) which are sold separately. This fitting is warm white and Whilst only using a mere 2 watts, the Tread produces the perfect light output for an entry way, a guiding light through a corridor. Suitable for coastal locations and with an IP54 rating and peace of mind of our 3 year warranty. [Click Here](#) for Installation Instructions.

This product is part of the 12V garden lighting range and is compatible with a DIY quick connector for simple water tight connection
