Black

DESCRIPTION

MFL Titan 12W 700 lumens dimmable adjustable black downlight in warm white with interchangeable reflectors for different beam angles

MFL by Masson Titan downlight range is architecturally designed and features stylish and superb lighting control with a flick of a switch. Featuring 20 and 40 degree interchangeable reflectors along with adjustable heads, our Titan downlight range makes a bold statement in any space. Available in black and white with interchangeable decorative rings in black, gold and silver, it makes the Titan range perfect for industrial interiors. The MFL by Masson Titan range is dimmable, and we recommend for best dimming results to use our Lucci LEDlux dimmer SKU 290998. These dimmers have also been tested with this product: LUMEX Load Smart LT1D450LS; DIGINET LED Smart MEDM; Clipsal 31E2RUDM, 32E450TM, 32E450UDM, 31E2PUDM and 32ELEDM; HPM: Cat. 400T. This downlight has integrated LED's in the fitting. Using dimmers that are not part of our recommended dimmers will void your warranty. [Click Here](#) for Installation Instructions.
