DESCRIPTION

LEDlux Eos II 70mm IP65 1 light cool white DIY decklight kit in 304 grade stainless steel, driver and cabling sold separately

The LEDlux Eos II 1 light is IP65 rated and is DIY so no electrical wiring connection or disconnection is required. This decklight can be connected by using Lucci wiring kit (SKU# 220826,220827) and Lucci transformer (SKU# 220818,220819,220829) which are not included but can be purchased separately. The length of cabling from the top of the light to the plug to go into the cabling is 0.56m. [Click here](#) for installation instructions.
