DESCRIPTION

Sentinel 2 light 240V spotlight with sensor in 316 marine grade stainless steel

The Sentinel 2 Light 240V spotlight is IP65 rated. This fitting also comes complete with a PIR sensing device which continuously scans the operating zone and immediately switches on the light when it detects movement in that area. The ideal mounting height for the Sentinel 2 Light 240V spotlight is between 1.8 metres to 2.2 metres above the detection area. The detection area is approximately 5 metres away at an angle of 90 degrees wide. The detection area will vary depending on the mounting height and location. Globes are purchased separately [Click here](#) for Installation Instructions
