DESCRIPTION

Bayside Bristol LED Colour Switch black flush mount with microwave sensor light

The Bayside Bristol flush mount is IP54 rated which is great for use outdoors under the eaves. The Bayside Bristol has the capability of switch between 3000k Warm White-3500K and 4000K Cool White by a switch on the light unit itself. The Bayside Bristol is complete with a built-in sensor that has an override function. The maximum height for this light to be mounted is 3 metres. The detection area for the sensor is approximately 3 metres away at an angle of 360 degrees wide. Please note the detection area will vary depending on the mounting height and location.
