LEDlux Rhine LED 600mm tri-colour technology pendant in black

The Rhine 600mm LED pendant in black is an understated contemporary design. It creates a beautiful soft, glare free light when illuminated with the added feature of colour switching technology. It has 3 colour settings, adjusted from the top of the shade, allowing you to change the colour of light depending on the time of day or mood you want to create. The Switch to change the colour temperature is located on the top of the light fitting(The light fitting needs to be turned off, before a new colour temperature is selected) This fitting is dimmable, for best dimming results, we recommend you use the LEDlux Dimmer, sku 290998. This fitting is also compatible with the below dimmers: B&P DIM-002; LUMEX Load Smart LT1D450LS; DIGINET LED Smart MEDM; Clipsal 32E450UDM, 31E2PUDM and 32ELEDM; HPM Cat.400T; The Use of a dimmer that has not been tested to be compatible may void your warranty. Product specifications are from the latest shipment of these products as LED production is constantly improving. Current stock may have different specifications to what is stated on the website.
