DESCRIPTION

Southampton 1 light large wall bracket with microwave sensor and remote in chrome

The Southampton range offers a classic styling with hints of the Americas. This range would suit Modern and Traditional Homes. The sensor works the best mounted at 2m-3.5m with a 5m/360 degree detection area. The microwave sensor comes complete with remote that has a maximum distance of 1m . This fitting must be installed where it is protected from direct weather. It is not suitable for coastal applications. [Click Here](#) for installation instructions.
