DESCRIPTION

Airfusion Climate III 152cm DC fan in Oil Rubbed Bronze with koa coloured blades, complete with 6 speed remote controller. Light Adaptable (sold separately)

The Airfusion Climate III is a DC (direct current) ceiling fan that uses approximately 40% less electricity whilst producing the same airflow, with silent motor operation. The Airfusion Climate is only operational via a 6 speed remote control, which is included at time of purchase. The Airfusion Climate is also light adaptable (light sold separately) The simplicity in design of the Airfusion Climate III gives this fan a designer appeal. Being an indoor only fan, the Airfusion Climate III would be perfect to use in a medium to large size bedroom. [Click Here](#) For Installation Instructions.
