Style	Modern
Colour	Black

DESCRIPTION

Atlanta 142cm DC fan and LED light in black, with black blades. Complete with 6 speed remote controller

The Atlanta is a DC (direct current) ceiling fan that uses approximately 40% less electricity whilst producing the same airflow and silent motor operation. With its ABS blades, the Atlanta is coastal rated, and great to use in homes that are in areas of Australia that feature quite high humidity. The Atlanta is only operational via a 6 speed remote control, which is included at time of purchase and comes complete with a integrated LED light that has a 3 step dimming feature.
