DESCRIPTION

Brix round 240V GU10 2 light up/down exterior wall bracket in black (globes sold separately)

Brix lends it self to a modernist, yet bold setting –with it's clean lines and sleek detailing. The white model features a controlled light leak from the seals, providing a beautiful, softened detail. The simplicity of their design, paired with Matte finishes, make the Brix range ideal for both indoor and outdoor applications. The Brix GU10 wall bracket is IP65 rated & suitable for coastal applications with it's salt protected paint finish. Want to make this a smart light? You can do this, simply by purchasing Lucci Connect 4.5W LED Tunable White GU10 Globes, downloading the Lucci Connect App, and connecting to Wi Fi. [Click Here](#) For Installation Instructions.
