## DESCRIPTION

LEDlux Malvern 800mm 700 lumen LED bollard in black

The LEDlux Malvern's clean and modernist design is the perfect addition to any landscape. A 3 stage pole allows for complete flexibility and customisation, with exceptional light output and a wide spread of light, the Malvern is ideal for path or driveway lighting. The LEDlux Malvern Bollard is IP65 rated, with a warm white integrated LED. This product is compatible with a DIY quick connector for simple water tight connection. When installing this item as DIY, you will need the following products, Lucci wiring kit (SKU# 220826, 220827) and Lucci transformer (SKU# 220818, 220819, 220829) which are sold separately. Product specifications are from the latest shipment of these products as LED production is constantly improving. Current stock may have different specifications to what is stated on the website.
