

Aksel 6 Light CTC in Solid Brass with Clear Glass

\$595.00

DESCRIPTION

The Aksel Close to Ceiling creates a dramatic effect on a ceiling and is perfect for apartment living and homes with lower ceilings as it has an overall height of only 190mm. The arms are adjustable sideways, however not up or down. Brass adds a touch of class for a high end look and suits mid-century and vintage styling. The black works in well with darker tones with contemporary and modern designs but can also fit in well with Mid-Century styling for a dramatic look.
