

Enhance 320mm 10 Light Round Cluster Plate in White

DESCRIPTION

The Enhance range of cluster plates plays on the idea of customisation and being able to create something unique. These cluster plates allow you to transform a single suspension pendant into a multi feature light whilst still using the single light point. These are available in 2 round sizes a 6 light and 10 light and also 2 rectangular options, an 11 light or 19 light in both white in black finishes. These are a slimline design plate, with the cable holes hidden to create a cleaner look on the ceiling.
