\$129.00

DESCRIPTION

The Parson 1-Light Wall Bracket in Black offers a simple yet stylish lighting solution, perfect for adding focused illumination to any room. With a GU10 fitting, this wall bracket is compatible with energy-efficient LED bulbs, making it ideal for accent lighting in hallways, beside mirrors, or as a minimalist bedside light. Its sleek, matte black finish adds a contemporary touch, seamlessly blending into modern and industrial-inspired interiors.

Designed with practicality and style in mind, the Parson bracket provides effective, understated lighting without overpowering your space.

TIP:

Install multiple Parson wall brackets along a hallway or stairwell for a streamlined look that combines function with modern flair.
