

MFL By Masson Fleming 1.8m LED Wave-Dimming Pendant in Black

\$995.00

DESCRIPTION

The MFL Fleming is the ultimate in design and performance. Featuring wave technology, the intensity of light can be easily adjusted with a simple hand gesture below the pendant. The MFL By Masson has a built in dimmer switch, so not suitable for use with a wall switch dimmer. The dimming sensor is located on the left hand side of the fitting. To operate the dimming sensor, place your hand directly below the sensor. The dimming sensor has a detection range between 0-20cm. The dimming range is between 10-100% .The MFL by Masson Fleming has dimming memory after it has been switch off. If the pendant is switched on again in less than 1 minute, the pendant will default back to 100% brightness.If the pendant is switched on again in more than 1 minute, the pendant will return to your last setting Product specifications are from the latest shipment of these products as LED production is constantly improving. Current stock may have different specifications to what is stated on the website

SPECIFICATIONS

SKU	020940
Dimmable	Yes
Globe Type	Integrated LED
Globe Quantity	0
