

Waldorf 10 Light Chandelier in Smoke Nickel with Smoke Glass

\$1,595.00

DESCRIPTION

The Waldorf Collection combines modern elegance with a hint of industrial charm, featuring smoked glass shades and a sleek nickel finish. Available in 4-light and 10-light configurations, these chandeliers make a striking statement in any contemporary space. The smoky glass softens the light, casting a warm, ambient glow, while the polished nickel framework provides a chic, minimalist appeal.

The 4-light chandelier is ideal for smaller dining rooms, bedrooms, or intimate living areas, where it adds a touch of sophistication without overwhelming the space. For larger rooms, the 10-light chandelier delivers an impressive presence, perfect for expansive dining areas, open-plan living spaces, or entryways, where its geometric arrangement and rich materials can shine.

TIP:

Pair the Waldorf chandelier with metallic or glass accents to create a cohesive, modern look that amplifies its industrial-inspired elegance.
