

Zeal Large 12 Light Chandelier in Aged Steel/Crystal

\$2,395.00

DESCRIPTION

The Zeal Collection combines Art Deco allure with contemporary sophistication, featuring chandeliers crafted from aged steel with striking curved crystal rods. Available in both 12-light and 8-light configurations, these chandeliers evoke the glamour of the Gatsby era. The crystal rods are designed to refract and amplify light beautifully, creating a warm, radiant glow that enhances any space. The aged steel frame adds a touch of refined elegance, perfectly balancing the chandelier's luxurious and architectural design.

The 12-light chandelier is a captivating centrepiece for grand dining rooms, spacious living areas, or impressive entryways, offering a sense of opulence and timeless style. The 8-light version provides the same exquisite detailing on a more intimate scale, ideal for bedrooms, smaller dining spaces, or lounges, adding elegance without overpowering the room.

TIP:

Complement the Zeal chandeliers with Art Deco-inspired decor, such as mirrored surfaces or brass accents, to enhance the chandelier's glamour and create a cohesive, upscale look.
