

Darly DIY Batten Fix 550mm Suspension Cord in White

DESCRIPTION

The Darly is a stylish DIY pendant suspension that can easily be installed into an existing batten holder. As there is no electrical wiring connection or disconnection required, you can safely install it without the need for a licensed electrician. With the simplicity of its cool white fabric suspension cord evoking Hamptons style, pair it with any Darly shade or a variety of batten fix options including Byron, Herman, Reign, Maison, Mele and Odin.
