

Philips Hue Wireless Dimmer Switch with Remote

\$39.95

DESCRIPTION

Enrich your system with the Philips Hue dimmer switch and enjoy smooth wireless dimming. The switch works as a normal wall switch and dimmer. Place it anywhere you want, using screws or the adhesive tape on the back plate of the switch. Using the Philips Hue dimmer switch, you can smoothly dim your favorite light setting up and down. The Philips Hue dimmer switch works as a normal wall switch and dimmer. You can place it anywhere you want, using screws or the adhesive tape on the back plate of the switch. There is no installation required as it is battery powered. When using your dimmer switch with Philips Hue white ambiance or Philips Hue white and color ambiance products, you can use the on-button to switch between 4 light recipes, or use the Philips Hue app to configure your favorite 4 scenes. This product requires connection to the Philips Hue bridge to operate.
