

Lucci Connect City CCT Dimmable Downlight in White

DESCRIPTION

The Lucci Connect City Downlight has all the features of a smart globe but in a downlight form and allows you to choose between a range of 2700K Warm White through to 6500K Daylight. Lucci Connect City Downlights are Wi-Fi enabled and work off the Lucci Connect App. This app allows you to control your lighting like never before. Set the mood by selecting from a spectrum of colours, dim to create ambience, and customise a lighting network specific to you. Set up and control is simple with the easy to use Lucci Connect app. A Lucci Connect Gateway will be required in conjunction with the App to control your lights remotely. Combine with a smart home hub to enable voice control access and immerse yourself in the ultimate lighting experience. The Lucci Connect App can be downloaded from both the Google Play and Apple App stores.

SPECIFICATIONS

SKU	170622
Dimmable	Via APP
IP Rating	20
