DESCRIPTION

Gough Wall Light

The Gough wall light is a versatile and sleek lighting solution that can be used as a picture light or placed over a bathroom vanity. Its minimalist design and available finishes in white or polished chrome make it a stylish addition to any space.

There are two options available, including a fixed arm option and an adjustable option. The adjustable option allows the light to be directed for better lighting control. Both options offer a warm white light that is perfect for bathroom vanities or as gallery lights over artwork.

The Gough wall light is perfect for those who want a minimalist design with optimal lighting control. Its sleek and modern appearance blends seamlessly into any décor, and its warm white light provides a calming ambiance for any space.

Overall, the Gough wall light is an ideal solution for wall and vanity lighting. Its minimalist design, warm white light, and adjustable options make it a practical and sophisticated lighting choice.
