LEDlux Dash LED 1200mm Colour Change Wall Bracket in Black

$329.00

DESCRIPTION

"

Sleek and Modern, with a nod to art deco design. The Dash is a modern linear style bathroom light that has been designed to provide an exceptional spread of light, making it ideal for Vanity lighting.

The LEDlux Dash LED wall bracket range is IP44 rated, suitable for use in a bathroom over a mirror. The slightly elongated arm also allows for installation over semi-recessed cabinetry, whilst still providing an abundance of light.

They come complete with a tri colour switch inside the mounting, allowing you to select your preferred colour at install. Adjust the colour temperature (3000K – 4000K – 5000K) using the CCT switch inside the canopy according to your needs. Please note you will need to choose the colour you prefer at the time of installation.

The LEDlux Dash is dimmable, and has been tested at the date of publication with the dimmers listed in the specification section. The use of a LED dimmer such as the Lucci LEDlux SKU# 290998 or SKU# 290997 dimmer is highly recommended. It has also been tested to be compatible with these dimmers: Buster & Punch: DIM-002 LUMEX Load Smart LT1D450LS; DIGINET LED Smart MEDM; Clipsal 31E2RUDM, 32E450UDM, 31E2PUDM, 32ELEDM and 32E450TM HPM: Cat. 400T, Cat. 400L The use of a dimmer with this wall bracket that has not been tested to be compatible may void your warranty. Product specifications are from the latest shipment of these products as LED production is constantly improving. Current stock may have different specifications to what is stated on the website.
