

Mett Inline Exhaust Fan Only With 150mm Dia Ducting Kit

\$249.00

DESCRIPTION

The Mett is a powerful 3-speed in-line exhaust system with interchangeable face plates and exceptional airflow. This exhaust fan motor comes complete with a 150mm Diameter ducting kit comprising of 4m of Ducting (1x 1m and 1x 3m sections), an external grill, connectors and a 3-speed fan wall control. Adjustable speeds offer airflow from 199, right up to a staggering 464 cubic meters per hour - making it an ideal choice for larger family bathrooms. With the flexibility of an in-line exhaust fan, you can position the motor further from the room to significantly reduce noise levels, allowing for a peaceful environment. With the motor located remotely, the faceplate can be installed directly above showers or other moisture-heavy areas for optimal ventilation right where it's needed most.

This is the Motor component only, face plates are sold separately. Compatible face plates: Lucci SKU# 209041, 209042, 209043, 209044, 209045, 209046, 209048.

SPECIFICATIONS

SKU	209040
Brand	Lucci Air
Weight (kg)	3
Airflow	464m3/hour
