

Airfusion Quest II 122cm Fan with Light in White with IR Remote Control

\$249.00

DESCRIPTION

AC Motor - Reliable, Affordable, and Versatile

Since they have been around for a while and are affordable, AC, or alternating current, ceiling fans, are a popular option. The convenience you need to conveniently control the temperature of your house is provided by AC ceiling fans, which are also very simple to maintain and can be operated with either a wall control or a remote.

Reversible Blades

The blades come in white but can be flipped over for an oak-washed look.

Remote Control

3-speed remote control with timer function included. Please note, that the remote control will make a beep sound.

Integrated Light

Light kit comes included that uses an ES globe (sold separately).

Indoor Rating

Suitable for indoor use only.

Recommended Room Size

For rooms up to 3m x 3m, we recommend a 122cm fan or lower.

2-Year In-Home + 7-Year Motor Replacement Warranty

We provide a 2-year in-home warranty and a 7-year motor replacement warranty on all hard-wired Lucci or Fanaway fans. Plus, if you have your fan purchased or installed by a Beacon Lighting Trade member, we'll extend your in-home warranty on the nominated Lucci or Fanaway fan for an extra 1 year, which means you'll enjoy a 3-year in-home warranty.

WARNING

This product takes button batteries which can lead to severe or fatal injuries to young children if ingested. If you suspect your child has ingested a button battery, immediately call the 24-hour Poisons Information Centre on 13 11 26 (Australia) for advice. Dispose of used button batteries immediately and safely by recycling them at a battery recycling facility.
