

## Bayside Lagoon 132cm Fan with Light in Black

### DESCRIPTION

---

The Bayside Lagoon is made with ABS blades, perfect for installation under Alfresco areas or used throughout the interior of your home.

Available in white and black, with or without light.

#### AC Motor - Reliable, Affordable, and Versatile

Since they have been around for a while and are affordable, AC, or alternating current, ceiling fans, are a popular option. The convenience you need to conveniently control the temperature of your house is provided by AC ceiling fans, which are also very simple to maintain and can be operated with either a wall control or a remote.

#### Wall Switch

3-speed wall switch included.

#### Integrated Light

Included is a GX53 globe with 3 step dimmable warm white LED light.

#### Coastal Rating

Suitable for indoor, alfresco, and coastal areas provided the fan is fully undercover, protected from water, wind, and dust, with a minimum of 1 wall.

#### Recommended Room Size

For rooms between 3m x 3m and 4m x 4m, we recommend a fan between 122cm and 142cm.

#### 2 + 4 Year Warranty

We provide a 2-year in-home warranty on all Bayside fans plus a 4-year parts replacement warranty from the date of purchase.
