

## Banksia 122cm DC Fan and LED Light in White

**\$439.00**

### DESCRIPTION

The Banksia 122cm ceiling fan with its innovative DC technology has ABS blades, making it perfect for use within the interior of your home, or used under an Alfresco area. The Banksia Ceiling Fan will make a modern, statement to any home.

Available in white and black.

### DC Motor - Efficient, Cost Saving, and Quiet

The most energy-efficient ceiling fans on the market right now are DC or direct current, fans. The key to their improved airflow and low energy consumption is their motor, which also helps you save money on your electricity bill. Since the motor is small and light, DC ceiling fans have sleek designs that fit better in your interiors and cost just one cent an hour to run. Additionally, they are silent in operation, making them ideal for private spaces in your house like the bedroom. You have a lot of versatility with the speed settings of DC fans, which range from a light breeze to an extremely intense airflow.

### Remote Control

5-speed remote control with timer function included.

### Integrated LED Light

Included is an in-built bright warm white LED light.

### Coastal Rating

Suitable for indoor, alfresco, and coastal areas provided the fan is fully undercover, protected from water, wind, dust, and salt, with a minimum of 1 wall.

### Recommended Room Size

For rooms up to 3m x 3m, we recommend a 122cm fan or lower.

### 2-Year In-Home + 7-Year Motor Replacement Warranty

We provide a 2-year in-home warranty and a 7-year motor replacement warranty on all hard-wired Lucci or Fanaway fans. Plus, if you have your fan purchased or installed by a Beacon Lighting Trade member, we'll extend your in-home warranty on the nominated Lucci or Fanaway fan for an extra 1 year, which means you'll enjoy a 3-year in-home warranty.
