

Zoom 50cm Wall/Ceiling Fan with Remote in Black/Silver

\$299.00

DESCRIPTION

The Zoom fan brings functionality and convenience with its 3-speed remote control, 3 different modes (Normal, Natural and Sleep) and timer. This fan can be mounted on a wall or on a ceiling, has an oscillation mode and is suitable for Alfresco areas with its IP23 rating.

AC Motor - Reliable, Affordable, and Versatile

Since they have been around for a while and are affordable, AC, or alternating current, ceiling fans, are a popular option. The convenience you need to conveniently control the temperature of your house is provided by AC ceiling fans, which are also very simple to maintain and can be operated with either a wall control or a remote.

Remote Control

3-speed remote control with timer function and 3 different modes (Normal, Natural and Sleep) included.

Alfresco Rating

Suitable for indoor and alfresco areas provided the fan is fully undercover, protected from water, wind, dust, and salt, with a minimum of 2 walls.

Ingress Protection Rating

Comes with an IP23 rating, ensuring protection against dust and water for enhanced durability in challenging environments.
