DESCRIPTION

This exceptional range is cast using Solid brass and treated to achieve the desired colour. As these finishes are not sealed they will age and continue to do so, over their life. The Norwest range can be restored to their former colour with our 290185 Haus Metal Cleaner. These fittings are IP44 and will complete the look of your beach house, Hamptons styled or Contemporary farmhouse. These exterior lights are suitable for seaside locations with full exposure to the elements. You can buy with confidence as these are covered by a 5 year warranty.
