

## Southampton 1 Light Large Wall Bracket With Microwave Sensor in Antique Black with Bronze Accents

### DESCRIPTION

---

The Southampton range offers a classic styling with hints of the Americas. This range would suit Modern and Traditional Homes. The sensor works the best mounted at 2m-3.5m with a 5m/360 degree detection area. The microwave sensor comes complete with remote that has a maximum distance of 1m. This fitting must be installed where it is protected from direct weather. It is not suitable for coastal applications.

### WARNING

This product takes button batteries which can lead to severe or fatal injuries to young children if ingested. If you suspect your child has ingested a button battery, immediately call the 24-hour Poisons Information Centre on 13 11 26 (Australia) for advice. Dispose of used button batteries immediately and safely by recycling them at a battery recycling facility.
