

## Tall Mozzie Zapper with LED Light portable Table Lamp

**\$49.95**

### DESCRIPTION

Suitable for Indoor Use only. Use the hanger to hang the Mozzie Zapper in your desired location. To operate the zapper, press Zapping button to turn On/Off the function of the insect killing. The purple light can be seen from the high voltage grid, which has a special wavelength to attract insects to the high voltage grids. . Press the Light button on/off to control the light. Both functions of the insect killing & lights can be switched on at the same time. Charging information: Plug the provided USB cable in the charging port and connect the USB cable to computer/laptop or power adaptor to charge the light. The charging time will be approximately 3 hours until it is fully charged. Please ensure an appropriate power adaptor is used for charging according to the rated input (5V DC, 1A) of this fitting.
