

LEDlux Stila LED Wireless Makeup Mirror Light in White

DESCRIPTION

The Stila is a contemporary designed portable LED makeup mirror featuring touch control lighting. Featuring a USB charging port, this makeup mirror is surrounded by a bright circle of light, perfect for make-up application. The LEDlux Stila is for indoor use only, and has an adjustable head that can rotate up to 70 degrees. This lamp can have its brightness adjusted- long press the switch that controls the mirror to adjust the brightness of the mirror light. Also, long press the switch that controls the table lamp to adjust the brightness of the table lamp. Wireless charging- charge this lamp via the included USB charging cable, by plugging it into USB charging port provided on the base of the lamp. Charging indicator will be red when charging, and will become blue when the lamp is fully charged. Please note, this lamp does not come with a power adaptor- Please ensure an appropriate power adaptor is used according to the rated input (5V DC, 1A) for this lamp.
