

MFL By Masson Tanimi Cube LED Up/Down Exterior Wall Light in Concrete

\$259.00

DESCRIPTION

A refined addition to the existing Tanimi range, the new Tanimi cube wall scone radiates light upwards as well as downwards. Its louvres/shutters can be adjusted to control the angle of the beam and give you flexibility. It has been designed with architectural aesthetics in mind and made of real concrete to blend with the world outside. Its IP65 rated and also has 316 stainless steel parts making it suitable for coastal applications. Also available in black and natural finishes.
