

Parker 2 Light Bar Wall Bracket in Chrome

\$169.00

DESCRIPTION

Introducing the Parker wall bracket, a collection of minimalist cylindrical lights that embody simplicity yet command attention. With an elegantly understated design, these lights hold a captivating aesthetic allure. The pipe-like structure showcases an exposed globe at each end, adding a touch of intrigue to the arrangement.

Choose from a diverse palette of colours, including classic Black and refined Brushed Chrome. For a more opulent touch, explore metallic hues like Brass, Chrome, or the enchanting Bronze. The Parker collection offers limitless possibilities for customization.

Pair these fixtures with an array of globe options to curate the perfect illumination for your space. From oversized frosted globes for an Art Deco ambience to industrial-inspired exposed filament-type globes, the Parker collection adapts effortlessly to your desired style. (Globes sold separately)

Unleash the charm of Parker wall brackets by placing them elegantly on either side of a vanity, conjuring an opulent Hollywood-inspired aesthetic. Elevate your interior with the minimalist finesse of the Parker collection and infuse your space with the captivating interplay of light and design.
