

## Adele 8 Light Pendant or Close to Ceiling Fitting in Antique Brass with Clear Glass Shades

### DESCRIPTION

Reflecting the vintage and Art Deco charm of the 1920s and 30s, the Adele is a modern interpretation of an Art Deco classic. Layered translucent seashell-shaped glass with etched detailing creates a sense of depth and interest. The antique brass details add warmth and touches of old-world glamour. Place this gorgeous pendant in the foyer, hallway, living room or bedroom as a feature piece. If you have low ceilings, adjust the suspension, and install it closer to the ceiling. Also available in 4 light pendant and matching 2 light wall bracket.
