

Juno 1 Light Pendant in Teak with Frosted Opal Glass

DESCRIPTION

Juno is an uncomplicated and pared back Scandi-style pendant with three design combinations. Teak wood contrasted by a frosted white round shade provide a sense of simplistic drama, perfect for a classic Scandi interior. For a lighter look, choose the white wood option with white shade and white suspension. Or for a Scandi-noir look, choose the black wood option with white shade and black suspension.
