

MFL By Masson Pearce LED 1800mm Adjustable Pendant in Black

\$1,295.00

DESCRIPTION

Architecturally striking with its sleek lines and sharp angles, the Pearce pendant is the epitome of adaptable design. It features a unique rise and fall suspension which allows you to adjust the height of the pendant at any time, from 700mm to over 1.6m. So, you can lower the pendant for a brighter, focused light or raise it for a softer, wider spread of ambient light. It also allows you to choose your direction of illumination - downward, upward or 2-way - via a 3-step wall switch. Your kitchen island or dining table will benefit the most from this incredibly adaptable statement pendant.
