

Enzo 1800mm LED Colour Switching Pendant in Black

\$649.00

DESCRIPTION

There's a lot to love about the Enzo linear pendant. Sculptural, slimline down rods merge to meet a bold and balanced anchor point, creating a striking elegant silhouette over an island bench or dining table. Style it your way by rotating the rods to direct the light upwards or downwards, and set the mood by dimming the lights and changing the colour temperature via the wall switch.
