

Line 132cm DC Fan with Light in Koa

DESCRIPTION

Designed for both modern and traditional Australian homes, the white Line ceiling fan makes a style statement in any room. Inspired by the free-flowing lines of an artist's sketch, Line is aptly named for its uncomplicated and graceful design. The Line is perfect for indoor and alfresco spaces in coastal homes, boasting a high airflow of over 193 cubic metres per minute. With no exposed screws or anything to distract the eye, the Line ceiling fan is a beautiful addition to any home.

Available in 132cm in either black, white, or koa.

DC Motor - Efficient, Cost Saving, and Quiet

The most energy-efficient ceiling fans on the market right now are DC, or direct current, fans. The key to their improved airflow and low energy consumption is their motor, which also helps you save money on your electricity bill. Since the motor is small and light, DC ceiling fans have sleek designs that fit better in your interiors and cost just one cent an hour to run. Additionally, they are silent in operation, making them ideal for private spaces in your house like the bedroom. You have a lot of versatility with the speed settings of DC fans, which range from a light breeze to an extremely intense airflow.

Remote Control

6 speed remote control. For instructions on how to pair the remote, please follow the steps in this video: [Remote Pairing](#)

Optional Light

Versatility to use light with included GX53 globe, or use included cap to cover the socket for a no light option.

Coastal Rating

Suitable for indoor, alfresco and coastal areas provided the fan is fully undercover, protected from water, wind, dust and salt, with a minimum of 1 walls.

Recommended Room Size

For rooms between 3m x 3m and 4m x 4m, we recommend a fan between 122cm and 142cm.

2-Year In-Home + 7-Year Motor Replacement Warranty

We provide a 2-year in-home warranty and a 7-year motor replacement warranty on all hard-wired Lucci or Fanaway fans. Plus, if you have your fan purchased or installed by a Beacon Lighting Trade member, we'll extend your in-home warranty on the nominated Lucci or Fanaway fan for an extra 1 year, which means you'll enjoy a 3-year in-home warranty.
