

Google Nest Protect Wired Smoke Alarm

\$199.00

DESCRIPTION

There's never been a smoke and CO alarm quite like this. Nest Protect looks for fast-burning fires, smouldering fires and carbon monoxide. It also speaks up when there's a problem, can be silenced from your mobile and will even send a message to your mobile in case you're not home.

Key Features

Get alerts on your mobile.

Nest Protect sends you a message when there's a problem or the batteries are running low.

Tells you what, and where.

Nest Protect speaks up if there's smoke or CO and tells you where it is so that you know what to do.

Sees the CO that you can't.

Carbon monoxide is an invisible, poisonous gas. Nest Protect tells you where it's hiding.

A light in the dark.

Nest Protect usually has its light turned off, but when you walk underneath it, Pathlight can light your way.

Every second counts.

The Split-Spectrum Sensor looks for both fast- and slow-burning fires.

Silence from the Nest app.

Just burned the toast? Silence the false alarm with your mobile, not your tea towel.

Up to 10 years life span.

Nest Protect's long-lasting sensors keep you safe and sound for up to a decade.

Sleep safely and soundly.

Nightly Promise is a quick green glow that can be seen when you turn off the lights, letting you know everything's working as it should.

SPECIFICATIONS

SKU	299209
