

# Esperance 122cm DC Fan in White

## $299.00

## DESCRIPTION

Get your summer cooling sorted with the Esperance ceiling fan, a stylish and practical choice for every home. With clean lines and a pared-back design, the white Esperance fan effortlessly blends into any interior style. The intelligent design also provides you with a high airflow of 221 cubic meters per minute, delivering year-round comfort while using minimal energy.

Note: The Esperance fan is not remote compatible, and is controllable via the 3 speed wall control provided.

Available in white or black.

**DC Motor - Efficient, Cost Saving, and Quiet**

The most energy-efficient ceiling fans on the market right now are DC, or direct current, fans. The key to their improved airflow and low energy consumption is their motor, which also helps you save money on your electricity bill. Since the motor is small and light, DC ceiling fans have sleek designs that fit better in your interiors and cost just one cent an hour to run. Additionally, they are silent in operation, making them ideal for private spaces in your house like the bedroom. You have a lot of versatility with the speed settings of DC fans, which range from a light breeze to an extremely intense airflow.

**Wall Switch**

3 speed wall switch included.

**Alfresco Rating**

Suitable for indoor and alfresco areas provided the fan is fully undercover, protected from water, wind, dust and salt, with a minimum of 2 walls.

**Recommended Room Size**

For rooms up to 3m x 3m, we recommend a 122cm fan.

**2-Year In-Home + 7-Year Motor Replacement Warranty**

We provide a 2-year in-home warranty and a 7-year motor replacement warranty on all hard-wired Lucci or Fanaway fans. Plus, if you have your fan purchased or installed by a Beacon Lighting Trade member, we'll extend your in-home warranty on the nominated Lucci or Fanaway fan for an extra 1 year, which means you'll enjoy a 3-year in-home warranty.
