

MFL By Masson Obi LED Light Tube Wall Bracket in Black

\$299.00

DESCRIPTION

MFL Obi is about as minimal of a design as they come. Two elongated arms hold a linear LED light tube effortlessly above the surface, providing not only a striking visual effect but casting a clean, unobtrusive light.

Ideal for vanity lighting, Obi can be placed above or beside a mirror for optimal practicality. In addition, its extended arms allow for added depth required by shaving cabinets.

Obi can also be adapted to form a ceiling light. Create a unique and minimalist design in single runs or by utilising optional spacers to form a stunning criss-cross effect.

Features dimmable, energy-efficient LED's with tri-colour technology.

Spacers sold separately.
