

## Chameleon Tall Fascia Only in Black

**\$49.95**

### DESCRIPTION

Exclusive to Beacon, Chameleon is the world's first customisable wall light design that incorporates a tile. Like its namesake, the Chameleon has the ability to subtly and elegantly blend into your wall using its unique tile frame and your own bathroom tile, or use the ultra-slim metal fascia for a more minimalist look.

### Complement your hardware with the Chameleon Metal Fascia

Create a wall light that perfectly matches your bathroom style in a few simple steps:

#### 1. SELECT YOUR WALL SCONCE\*

Take your pick from brass, white or black.

#### 2. SELECT YOUR METAL FASCIA

Choose an ultra-slim, flat metal fascia that's designed to complement your tapware, door knobs, cabinet handles and more. Go bold with brass and black or opt for an understated look with matte white.

### About the Chameleon LED Wall Sconce\*

The Chameleon features a light output of 320 lumens and an IP44 rating, making it suitable for splash-prone spaces like the bathroom vanity or around the shower. Whether you want to create a vibrant feel for your morning routine or a relaxing vibe at the end of the day, simply switch between colour temperatures and brightness levels to customise your ambience.

**\*Chameleon LED Wall Sconce sold separately.**
