

Muse 12 Light Chandelier or Close-To-Ceiling Fitting in Polished Nickel with Smoke Glass

DESCRIPTION

The Muse Collection combines modern glamour with an artful edge, featuring polished nickel chandeliers enhanced by sleek smoked glass panes. Available in versatile 9-light and 12-light configurations, each chandelier can also be installed close to the ceiling, making it adaptable for rooms with varied ceiling heights. The polished nickel finish offers a luxurious touch, while the smoked glass panes add depth and a touch of mystique, beautifully diffusing light for a warm, ambient glow.

The 9-light chandelier is perfect for smaller dining rooms, bedrooms, or intimate living areas, bringing a sophisticated focal point to your space. For larger rooms, the 12-light configuration creates a captivating centrepiece in open-plan living areas, grand dining spaces, or impressive entryways, where its layered glass and sleek structure can be fully appreciated.

TIP:

Pair with matching polished nickel or smoked glass accents throughout your decor for a cohesive, sophisticated look that elevates the Muse Collection's sleek, contemporary style.
