

Arial LED Sunset Dimming Wall Sconce in White

DESCRIPTION

Experience the enchanting allure of our Ariel LED wall sconce, a testament to modern minimalism. With its soft organic shape and gentle curve, Ariel adds a touch of sophistication to any space. What sets it apart is the innovative Sunset dimming feature. As you dim the light, it undergoes a seamless transition from a cozy 3000K warm glow to an ultra-warm 2000K, reminiscent of a sunset's soothing hues (dimmer required, sold separately). This transformative quality makes Ariel perfect for creating a soft, relaxing ambiance. Choose elegance and simplicity with Ariel, available in timeless white to complement your interior aesthetics.
