

Aspen 3 Light Wall Bracket in Antique Brass with Clear Glass

DESCRIPTION

Aspen encapsulates vintage charm with its handmade, sloped glass and soft ribbed detailing, forming a beautiful, almost floral silhouette. Supported and softened by antique brass detailing, the Aspen range is a wonderful statement piece for any home. The pendants are available as a five light or ten light option, and both include close-to-ceiling plates so you can still have a touch of glamour even if you don't have a high ceiling. Complete the look with the stunning Aspen wall sconce that is a beautiful feature on its own. The Aspen is available in antique brass with clear glass.
