

Lucci Power Gravity 5 Gang Plate Only in Matte White

DESCRIPTION

The Lucci Power Gravity Plate is a versatile and modern wall plate that adds a clean finish to any space. It features a 13mm depth face plate and 84mm screw centres, which is the industry standard and makes it easy to install with all brackets and wall boxes. The matt finish is made with UV stable plastics and scratch-resistant materials, ensuring long-lasting durability. The plate comes in black or white, allowing you to choose the perfect match for your decor. It's compatible with 30 series mechs and has flat mounting points, making it easy to fit onto tile, timber, concrete, or brick. The plate comes with mounting screws and is backed by a 25-year warranty for your peace of mind.
