

Cedar 2.2m LED Colour-Shifting Pendant in Ribbed Black Wood

DESCRIPTION

The Cedar LED Pendant combines sleek modernity with natural-inspired design, making it a bold centrepiece for expansive spaces. Spanning 2200mm, this pendant is crafted with ribbed black wood that adds texture and depth, while its integrated LED technology offers adjustable colour switching, allowing for customised lighting from warm to cool tones.

Perfect for long dining tables, kitchen islands, or open-plan areas, the Cedar pendant not only provides ample illumination but also enhances the ambiance with its adaptable lighting options. Its streamlined form and sophisticated finish make it a versatile choice for both modern and industrial interiors.

TIP:

Utilise the colour-switching feature to create different moods throughout the day, from energising cool light in the morning to a soft, warm glow for evening relaxation.
